- Non-resident guests are required to guarantee their appointments with a credit card.
- Late arrivals may result in shorter session times.

Thank you for your understanding!

MASSAGES & BODYWORK

Unwind • Restore • Harmonize

Signature Aroma Harmony Ritual

A tailored gentle body massage for deep relaxation and stress rejuvenation.

50 min | 135

75 min | 170

Muscle Release Ritual

Deep therapeutic bodywork to reduce muscle strain.

50 min | 135

75 min | 190

Hot Stone Massage

This soothing massage promotes muscle relaxation through the placement of hot lava stones on key points of the body, enhancing circulation and relieving tension.

50 min | 135

75 min | 190

Uplift Ritual

A targeted massage for the head, neck, and shoulders that relieves tension, stimulates microcirculation, and promotes mental clarity.

50 min | 135

Maternity Bliss Ritual

50 min | ₺135

Gentle therapy to relieve aches and strain to improve overall well-being. Promotes skin elasticity for the mother while creating a warm cocoon for the baby.

75 min | ₺190

Special Couple Ritual *Harmony & Senses*

60 min | ₺280

An immersive experience designed for couples, created to release tension and restore a deep connection between body and breath. The ritual takes place in a private, intimate setting, enhanced by soft lighting, gentle sounds, and natural fragrances that encourage complete relaxation.

Two therapists work in perfect synchrony, performing a simultaneous massage with fluid, enveloping movements carefully designed to ease muscular tension and calm the nervous system. The harmonious rhythm of each gesture guides the couple into a state of profound relaxation, transforming the treatment into a shared sensory journey.

Harmony & Senses is more than a massage — it is a true ritual of connection, designed to deepen intimacy, awaken the senses, and create a meaningful moment of well-being to be experienced together.

BODY CARE

Signature Revival

Body wrap and full body massage for detox and invigoration.

50 min | 145

75 min | 190

Rose Ultra Hydration

Full body ritual with complete face care.

50 min | 145

75 min | 190

Grape Therapy

Tuscan grape-based exfoliation and deep tissue massage.

50 min | 145

75 min | 190

HOLISTIC HEALING TREATMENTS

Reflexology

60 min | ₱195

Restore balance by addressing key pressure points on the feet, impacting internal organs and their functions. This gentle, non-invasive treatment alleviates muscle pain, headaches, and promotes relaxation while reducing mental and physical tension.

Shatsu

60 min | ₱195

90 min | ₱280

Experience deep relaxation that promotes emotional calm and reduces tension. This technique helps relieve stress, treat discomfort, and improve sleep quality by stimulating energy flow and enhancing the body's natural healing abilities.

Thai Massage

60 min | ₱180

90 min | ₱260

Enjoy an energizing and balancing treatment that relieves stress and promotes relaxation. This massage combines pressure points, muscle stretching, and rhythmic movements to restore flexibility and elevate energy levels.

BATH RITUALS

Immerse yourself in a luxurious bath ritual infused with local botanicals and pure essential oils sourced from the beautiful Italian gardens. Elevate your wellness experience by combining one of these selections for profound relaxation. Each ritual includes a rejuvenating elixir or tea offering to enhance your journey.

Tuscany Bath

30 min | 790

Invigorate Your Senses

Revitalize with a blend of soothing lavender, fresh seasonal flower petals, and aromatic garden leaves. Enhanced with Volterra salt, rosemary, and eucalyptus essences, this bath offers invigorating and stimulating aromatherapy for a refreshing experience.

Rose Bath

30 min | 790

Indulge in Pure Elegance

Immerse yourself in a sea of exquisitely scented floating rose petals, complemented by Volterra salt and our signature Love essential blend. This ritual fosters a sense of connection, relaxation, and an uplifting of the spirit.

Dream Bath

30 min | 790

Awaken Your Imagination

Soothe your soul and body with a calming infusion of calendula and chamomile, Volterra salt, and fresh lemon. Scented with our Renew blend of cypress and lemon, this bath supports change, vision, and dreams through its powerful aromatherapy properties that strengthen both body and spirit.

WATER HEALING

Wellness Flows —

Embark on guided journeys within our Water Healing facility, designed to rejuvenate your health and well-being. Immerse yourself in one of our three thoughtfully crafted hydrotherapy sequences, each tailored to address specific needs. Each Spa Flow combines carefully selected hydrotherapy facilities with soothing sound waves, featuring unique audio tracks that include guided meditations and inspirational messages. To elevate your experience, we incorporate carefully chosen essential oils and phytotherapy shots.

Purify Flow

120 min | 130

*Body-Mind Purification Focused on Detoxification.
Supports physical detox and mental clarity.*

Our Purify Flow is designed to detoxify both body and mind, promoting the elimination of accumulated toxins and stress from less-than-ideal habits and lifestyles. This flow emphasizes hydro-massage and cleansing techniques, delivering visible benefits for your skin.

Revitalise Flow

120 min | 130

Hydrate, Rest, and Invigorate with Contrast Therapy.

The Revitalise Flow aims to elevate energy levels, combat insomnia, and reduce anxiety while boosting immunity and enhancing overall mental and physical well-being.

Harmonise Flow

120 min | 130

*Soothing Integration Focused on Breath and Balance.
Enhances inner and outer balance.*

Our Harmonise Flow is designed to promote physical relaxation and emotional balance, alleviating muscle tension and fostering a deep sense of tranquillity.
